See reality *and share the fun of it* with laughter, good humor, and through the lens of your Comic Vision®! Portraying the daily (*and often overwhelming*) challenges found in these hectic times, Tim Gard offers his humorous and powerfully effective approach to stress-diffusion and frustration-eradication! Re-awaken your fancy for fun and contagiously innocent mischief, while you enjoy looking at the challenges of life through Tim's eyes. Let Tim show you how to use ordinary items in extraordinary ways and neutralize life's stressors.

“We cannot always control the things that happen around us, but we can certainly control our perception of those things when we develop, use and share our progress-oriented Comic Vision®.
