Dear friend:

Shift your perspective. Change your experience. Empower your people. Sound good? Tim Gard can help!

North Dakota Bankers Association hired Hall of Fame speaker Tim Gard to conduct four training sessions in September 2014.

We had a delightful week with Tim! He presented "Change the Game" as an after-dinner talk in four locations over four days. In his keynote message, Tim encouraged attendees to have fun, use humor first for yourself and then share it with others. Those who participated learned how humor can help reduce stress at work and in life.

Tim Gard is a true professional, great speaker and nice guy. His entertaining and thought-provoking presentations are interesting and fast-paced and his enthusiasm shines through.

Here are some comments from attendees:

- Tim Gard was a hoot!
- Tim Gard was great. One of the best (and funniest) speakers to present for NDBA!
- The speaker was wonderful. He had a great message and was very entertaining.
- Soooo fun and had so many laughs.
- Loved Tim Gard! It's just what a person needed after a stressful day.
- Tim was so funny! What a great reminder to keep humor at the forefront.
- Tim Gard was awesome. It was great to belly laugh. I left feeling like my soul had been refreshed! Thank you!

I highly recommend Tim Gard. He is a sure bet. Woohoo!!! If you don't know what that means yet, you will.

Thank you,

Senior VP, North Dakota Bankers Association
