Dear Tim,

I just want to express my gratitude and respect for the incredible impact you had on our 2012 conference season. Your ratings were off the charts at every one of our 30 events.

Our audiences were composed of government Information Technology officials who have gone through some tough times in recent years due to economic conditions and a general lack of resources. The timing of your message could not have been better. You delivered a grand slam at every event and I don't think anyone will ever forget you.

Equally important to us was your integrity, professionalism and care, which were evident from the very beginning. I know that I speak for our entire team when I say that it was an absolute pleasure to work with you.

Please don't hesitate to use me as a reference at any time. Thanks again.

Sincerely,

National Conference Director
