(*Home Health*) Fabulous, Woohoo! Wow, what a way to send us home! He was so funny-great way to end the session-too bad more do not stay. He was great they missed out if left early. GREAT!!! (*Social Workers*) Great ending to the conference. Excellent way to end the conference. (*Nurse Executives*) Very refreshing take on handling life situations, especially stressful work situations. AWESOME speaker. Hope we will take his ideas with us and apply them. It was nice to laugh. (*Dietitians*) Tim was a perfect presenter to have at the end of the session. He did a great job and was very enjoyable to listen to. He was absolutely great and enormously funny and the best part was, he did not use any profanity to be "funny". Very good should have been the opener of the conference as well-- great to leave the conference with a positive and motivated feeling. (*Activities*) Best part of the whole conference! (*HR*) MOST EXCELLENT! (*Health Information*)

Thank you again for being an important part of bringing a quality Convention to the membership of SDAHO.

Sincerely,

Director, Convention and Event Planning
