Mr Tim Gard

Hi Tim.

Just a short note to say THANK YOU for your wonderful contribution to our FOCUS 2003 conference in Cairns earlier this month.

The reaction from our delegates to you and your presentation has been nothing short of spectacular.

They loved every minute of your presentation and I think if we had an extra half hour, they would have loved to listen even longer!

Tim, your "comic vision" is inspiring, entertaining and certainly something everyone can relate to.

It was an absolute pleasure to work with you at the event.

I hope you also enjoyed working with us and we appreciate you taking the time to join us at our Black Tie Dinner - it was a treat having you join us.

I look forward to the opportunity of working together again in the future and can assure you that I will be recommending to as many people as possible for them to be employing you for similar presentations at conferences and other events.

Again, thank you for helping make our FOCUS 2003 conference such a tremendous success.

Kindest regards,

National Development Manager
