Fun and fast moving
Laugh more. We need more fun.
I just shoot rubberbands back and forth with my teteaall day and get the same kind of laughs. I do appreciate a lighter note at the event though.
Unexpected!
Funny enough said lol.
I have a complete outlook now on life
Laughed until we cried. Great to know its pk to have fun at work and inspired us to try to laugh more in the office
Tim Gard was outstanding! He was hilarious, got his point across, and really stressed to us how important it is to not let ever little thing bother you. His mentality was amazing. I hope I can learn from him and really take his attitude back to the office with me.

Dynamic speaker, really related to the audience.
My favorite. Joy should be the difference between bad or great customer service
Entertaining.
He was absolutely hilarious!!! He would be good to end the conference because his presentation was so funny...However, I couldn't see how it directly correlated to customer service at times
