Dear Tim,

I am writing to thank you for your contribution in making MIC 2017 a success. In my experience as the current chair of the Meeting Industry Council Tim Gard ranks among the very best presenters and Emcee's I have encountered. You have a passion for your subject matter which is infectious and for the audience you are serving.

Your presentations are always packed with a refreshing dose of good humor. Thanks Tim for crafting special humor for the position of Emcee. Your skills as an Emcee, moving the meeting along, with some comic relief was superb. The presenters enjoyed working with you. It set the pace for lively discussions among the attendees.

In summary, it is my pleasure to give you my highest recommendation as a keynote speaker and Emcee.

Sincerely,
