## THE TAO OF HUMOR

LEADERSHIP DEVELOPMENT

In this laughter-filled Leadership Workshop, you'll discover how humor can help you powerfully deal with the challenges of an ever-changing workplace.

As a participant, you will take away:

- knowledge of how to be a positive humor leader.
- key differences between leadership and authority.
- reasons why funny does not always equal appropriate.
- ways to encourage good humor and discourage bad humor.
- benefits and potential pitfalls of using laughter and humor in business.
- ways to steer clear of the negative humor that can cause problems and complaints.

Ideal for both government and private business, this program's easy and practical guidelines prevent negative humor in the workplace while allowing positive humor to strengthen communication and boost morale.
