Laugh more. We need more fun.
I just shoot rubberbands back and forth with my teteaall day and get the same kind of laughs. I do appreciate a lighter note at the event though.

Laughed until we cried. Great to know its pk to have fun at work and inspired us to try to laugh more in the office
Tim Gard was outstanding! He was hilarious, got his point across, and really stressed to us how important it is to not let ever little thing bother you. His mentality was amazing. I hope I can learn from him and really take his attitude back to the office with me.
